As a continuation of our Links to Learning® curriculum, Preschool camp offers a fun-filled summer program for children ages 3 to 5. Each week preschoolers jump into action, participating in fun and exciting activities and special events.

Our preschoolers have the opportunity to expand their horizons during the summer, embarking on new adventures, and having fun! We create a summer experience that is unforgettable!

Although we want the children to have the best summer possible, we can’t forget about all they’ve learned during the school year. Our Links to Learning® summer curriculum is designed to review and strengthen skills taught during the school year. Various academic activities will be integrated throughout your child’s daily summer experience.

Passport to Adventure activities will inspire your child to engage, explore, create and stay active this summer!

9 Weeks of Learning FUN!
During Deep Sea Dive week, our campers will discover just what is below the ocean's surface. From fins and fish, to shells and sand, come with us on a journey deep below the sea that will surely be “Wet and Wild.”

Let’s celebrate our country’s birthday as we learn all about the USA and its splendor. Campers will learn all about geography, traditions, and more as we travel from state to state! Closed July 3rd.

Our awesome super hero campers will strengthen their super powers through group projects and peer interactions that encourage positive relationships.

Let’s pack our bags and head out on a mysterious journey through the rainforest. Campers are going green this week and learning how to help our planet.

In the jungle, the mighty jungle does the lion sleep tonight? Join us as we experience the tropical rain forest and search for jungle animals and birds on our wild trek. Hold on to your hats and binoculars for this wild ride.

Our awesome super hero campers will strengthen their super powers through group projects and peer interactions that encourage positive relationships.
