January 9, 2015

Principal's Message

Dear Evergreen Families,

Welcome back after a lovely break. I hope you were able to have a restful holiday with your family. We are definitely in full swing again in classrooms and are looking forward to the iReady assessment data to give us a snapshot of student progress so far this year. Teachers will use this data to adjust instruction to even better fit the student individual needs.

Re-registration begins today for current families and will continue until January 23rd. Your registration documents will be in the Friday folder. We are looking forward to a fantastic 2015-2016 school year full of rigor, 21st century skills, and inquiry-based learning. You are part of the Evergreen family and we are so pleased to have you continue with us for the next school year.

If you know of other families looking to join our community, open enrollment begins on January 26th. Entrance exams will be done as applications are turned in, and we expect another year with a full Kindergarten program. Encourage friends to apply early!

I want to extend a huge thank you to our OPT group. They had a fantastic December with the holiday store, auctioning seats for the holiday concert, and supporting (along with all of you) the Giving Tree. You are all members of OPT and are welcome at all of the meetings. It is fun to get involved with other parents and work together on projects like these. The students benefit from all the time given. Come join us next month and let us know about your gifts.

Have a wonderful weekend and thank you for your continued support of all things Evergreen!

Warmly,

Mrs. Theresa Chase

Principal, Evergreen Academy #1501

Priority Re-enrollment

Priority re-enrollment for current Evergreen families begins today and continues through Friday, January 23rd. Please contact our administrative staff at 425-488-8000 if you have any questions about any of the documents in your child's re-enrollment packet. Open enrollment for new families begins January 26th.

Move Up Day

Wednesday, January 21st will be an exciting day for our students because it is Move Up Day! For a short time in the morning, each class will have a chance to "move up" to the next grade and sneak a glimpse of next year. Students will visit the next grade level, do an activity and learn what they will study next year. Be sure to ask your child about their experiences on Move Up Day.

Open House

Our second open house of the school year will take place on Saturday, January 24th. This event offers families interested in joining our school a chance to tour our facility and meet our faculty and administrative team. Current Evergreen families will also have a chance to visit next year's grade level classrooms and get a preview of their child's curriculum for the upcoming 2015-2016 academic year. Students who attend our open house may get a privileged dress pass from their teacher allowing them privileged dress on Monday, January 26th. Families may stop by our school anytime between 11 a.m. and 1 p.m.

We appreciate your referrals! If you have any family, friends or co-workers who are looking for a private school, please invite them to join us at our January open house.

Celebrate the Seahawks With Blue Fridays

Be a Twelve! Show your support of our fearsome Seahawks by wearing your team gear on Fridays. Let's make our Fridays during the playoffs blue! Go Seahawks!!!!!!

Dr. Martin Luther King Jr. Assemblies

On January 22nd, Mobile Ed Productions will bring their "*Dr. Martin Luther King Jr.*" presentation to our school. This one man production will introduce our students to the modern civil rights advocate and how this American hero helped to transform our society. This timely program explores the life of Dr. King, beginning with his childhood, to the peak of his career and ultimately to his untimely demise.

The program will travel through time with the important characters and events surrounding his life and will be expressed through song, poetry and powerful oration. Students will see how Dr. King's life and ideas were molded through a life-long commitment to freedom and equality. This program will also highlight Dr. King's belief in non-violence as the only effective way to battle social injustice and inequality. (Information about this presentation provided by Mobile Ed Productions.)

Assembly times on the 22nd are as follows: 10:30 a.m., grades 3 and up, and 12:30 p.m., grades K-2. Parents are welcome to attend these assemblies so if your schedule allows, please join us!

Thank you to our awesome OPT for arranging and funding this wonderful program.
