Across the Campus Spotlights

Second grade hosted a Wax Museum on Friday March 6th. Students read a biography of a famous person, wrote a report, created a timeline, and ultimately memorized a speech to present at the Museum. This was a beautifully integrated project and performances were amazing!

Wax Museum

Penguin Parade

As a culmination of their penguin research project, our first graders staged a Penguin Parade today. To prepare for this event, our students “traveled” to Antarctica to collect, sort, and compare information about six different species of penguins. After learning about the height, weight, appearance, and habits of each penguin, students used some of the measuring skills

they have developed to create life-size paper replicas of the penguins. The work in this unit included posing and solving story problems about penguins, studying the two counting pattern based on pairs of penguins, cutting strings and gathering cans of food to match the heights and weight of the various penguins, and collecting, sorting and organizing data. This was a research journey our first grade students will not soon forget!

Open House

Our next Open House will take place on Saturday, March 14th. Families may drop by anytime between 11 a.m. and 1 p.m. This event offers families interested in joining our school the opportunity to tour our facility and meet our faculty and administrative team. Current families are also welcome and students who attend this event and visit a classroom in the grade they will enter next year are allowed privileged dress on the 16th. Please join us!

Science Magic Assembly

Science magician Jeff Evans visited our school on March 6th and treated our students to an exciting show. During his performance, Jeff raised questions about the way objects behave, and then revealed the scientific reasons behind them. He showed our students the characteristics of solids, liquids and gases and visually demonstrated the properties of air pressure, static electricity, center of mass and density. Jeff's combination of magic and science resulted in an incredibly fun and informative assembly for our students. Thank you to our generous OPT for arranging and funding this special event!

Spring Break Camp

Spring break is just a few short weeks away (April 6th-10th) and we have some fantastic camp activities planned for our students! We will make and decorate bird feeders, turn a boot into a fun planter, travel to Woodinville to see a movie, decorate aprons and plates and make a delicious snack and spend the day at a local park. Be sure to check your child's Friday folder today for our Spring Break Camp registration form and plan to return your form and fees to school by March 27th. Daily camps run from 9 a.m. to 3 p.m. and cost \$50 per day. Before and after camp care is also available from 7 to 9 a.m. and from 3 to 6 p.m. Please contact Michelle Coster at 425-488-8000 or via email at michelle.coster@nlcinc.com if you have any questions about our spring break camp.

March

13	Report Cards Sent Home
13	Registrations for Spring Enrichment Classes Due
14	Open House, 11 a.m. to 1 p.m.
16	Privileged Dress for Students Who Attended March 14 th Open House
20	No School, Professional Development Day, Camp Offered
23	Science Fair Registrations Due
23	Spring Enrichment Classes Begin
23-27	OPT Teacher Appreciation Week
27	Spring Break Camp Registrations Due
27	Salmon Release, grades K-4
27	Evergreen Academy OPT at Safeco Field Mariners vs. Rangers Ticket Orders Due
29	Regional Spelling Bee
31	Second Grade Presents, Flat Stanley, Studio, Time TBA

Evergreen Academy OPT at Safeco Field

Evergreen Academy OPT has reserved a large block of seats at the Mariners VS. Ranger's game on Sunday, April 19th at 1:10 p.m. and tickets for view level seats are available to order at just \$12. Order forms for the game will go home with students in Friday folders today and are due with payment by March 27th. Bring your family and friends and join our school at Safeco Field to watch some exciting Major League Baseball action!
