Our school garden is growing!

Our Bee Garden is filled with plants that bees pollinate. Our first graders are learning the vital role bees play in pollination and sustaining a healthy ecosystem.

This Week: September 8th – 11th

Our first and second graders planted their Bee and Butterfly Gardens this week. Both of these special places are beautiful and tie in well with our STEM curriculum. Our fifth graders' Reader's Theater presentation of the book *Weslandia* was extremely well received. We had a school wide fire, earthquake and lockdown drill. It was a very busy week at Evergreen Academy!

Engaging Lessons & Learning...The Evergreen Academy Way

Second Grade Butterfly Garden

These pictures show our second graders planting their Butterfly Garden.

Looking ahead to the week of September 14th.....

Fourth and Fifth Graders to Camp Seymour

Our fourth and fifth graders are off to Camp Seymour for an extended field trip next week. The outdoors will be their classroom as students learn about our environment. We look forward to hearing all about their experiences!

New Addition to Our After School Enrichment Class Schedule

We have added another after school enrichment class to our fall schedule: Evergreen Drama Club. This class meets in the Studio on Thursdays from 3:45 to 4:45 p.m. and is taught by Mrs. Kessler, our Drama teacher. Please contact our administrative team for additional information about this or any of our other classes. Don't forget! All registrations for after school enrichment classes are due with payment by September 23rd.

Goodwill Drive

Evergreen Academy is hosting a school fundraising donation drive in partnership with the Goodwill on Friday, September 18th. Please plan to bring your gently used clothing, household items, and toys to school on the 18th between 8 and 10 a.m. and 2 and 4 p.m. For each donation truck we fill, the Goodwill will donate \$500 to our school. These funds will go directly to the school and your child's learning. This drive is a great way to clean out your home and support your child's education. Your participation is greatly appreciated!
