

# Reading Responses

“I can use my reading strategies to show that I understand what I am reading.”

(Strategies: Question, Predict, Infer, Connect, Summarize, Evaluate)

## Reading Response #1: Infer

Why do you think the author wrote the book that you are reading? Do you think they had a purpose or a special connection to the topic? Explain your answer with parts from the book.

---

## Reading Response #2: Connect

Write two examples from your reading that you can connect with: Something that you have experienced in your own life, something that you can relate to, or something that you know something else about. Explain how you can connect with each part.
