## Field Trip Highlights

Our third graders recently visited the Wing Luke Museum and went on a walking tour of the International District. They have been studying different cultures and learning about the experiences of various groups of people who have immigrated to the United States.

## Across the Campus Spotlights

### Engaging Lessons & Learning...The Evergreen Academy Way

#### First Grade Farm Unit

First Grade Farmers! Our first graders' farm study is an interdisciplinary unit in money, math, social studies and poetry. Using a simulated format, students become farmers and build a paper farm according to land use codes that regulate both the amount of space needed and the cost of materials for each animal on their farm. Students also learn about various farm animals and this information is incorporated into their study of poetry. Our first graders' field trip to a working farm helped them see the interconnectedness between farm and table.

## Looking Ahead...

### **Congratulations Lindsay Mitchell!**

Congratulations to second grade teacher, Lindsay Mitchell, for completing her Master's Degree! This is a HUGE accomplishment and we are all very proud of Lindsay!

### **Yearbooks Home June 8th**

Yearbooks will be sent home with students on Monday, June 8<sup>th</sup>. We still have a few copies available to purchase so if you would like to buy one, please drop by the school office as soon as possible.
